

*Mercury Excelum Custom Built and Designed Bays and Bows
Are Your Absolutely Best Choice!*

1) 1" hardwood cabinet-grade veneer head and seat board available in select white birch, red oak, and maple (maple used in lieu of birch on widths over 121 1/2" due to availability)

2) 3/4" #1 Eastern White Pine struts allow for unlimited angles from 0 to 55 degrees

3) 3/4" #1 Eastern White Pine end jambs (has secondary cover to hide unsightly installation nails and screws)

4) Two interior finishes - all wood or vinyl mullions, end fillers, and stops

5) Sill has a unique weep system

6) Maintenance-free vinyl clad exterior - available in white or beige

7) 1/4" all-threaded steel rods between struts tie head and seat boards together for added strength

8) Low pressure polyurethane foam sealant between struts
