Mercury/Excelum Window & Door Tax Credit Certification

This manufacturer's certification statement provides the necessary documentation needed to receive a tax credit for Mercury/Excelum windows and doors as provided by **The American Recovery & Reinvestment Act of 2009**.

How to Qualify for the Tax Credit:

1. Purchase and install qualifying products beginning in January 1, 2009 through December 31, 2010. The tax credit is for the cost of the product. The amount of your tax credit will be 30% of your purchase or \$1,500.00 - whichever is less.
2. Qualifying products must be installed in the taxpayer's principal residence.
3. A qualifying product is defined as follows:
 - a. Complies with the mandated U-value of $\leq .30$.
 - b. Complies with the mandated SHGC of $\leq .30$.
4. Retain a copy of this certificate and your sales receipt. These documents will provide proof to the IRS that the Mercury/Excelum windows and doors that you purchased qualify for the tax credit.

Qualifying Products:

(Please see the attached list of qualifying products.)

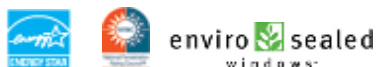

Manufacturer's Certification Statement

Mercury/Excelum certifies that all of the windows and doors listed are qualified products as defined by **The American Recovery & Reinvestment Act of 2009**.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
